THE SENIOR CLASS OF 1958

PRESENTS

Mater Dei

ST. MARY'S CENTRAL CATHOLIC HIGH

ORANGE, TEXAS

Dedication

We, the Senior Class of 1958, fondly dedicate our annual, MATER DEI, to the future graduating Seniors of the new St. Mary's Central Catholic High School. The memories you gain in this new school will be as treasured to you as ours are of the old school. It is still St. Mary's; therefore, in this school you will gain the knowledge of the 3 R's, as well as the teachings of the Church, which will help you gain a high place in heaven, the same as we received in the old school building. We sincerely hope that you, the future Seniors of St. Mary's High School, will be as proud of the school as we are and that all of us will live up to the ideals and principles taught in the school and that we will always be a credit to it.

Mater Dei

Foreword

To enter Orange from almost any point, it is necessary to cross one or more bridges. Figuratively, Orange's emergence from the sea of Texas wilderness and the rise of the class of '58 from the dark waters of ignorance have required crossing quite a few bridges built by human endeavor. Baptism was the first and essential bridge across the River Styx. The saving waters gave us—not invulnerability—but immortality. In the pages of this volume, dedicated to her who "crushest the head of the Stygian foe,"* one may catch a glimpse of those essential construction materials with which we will build our bridges across the rivers of ignorance and misunderstanding—the knowledge and insight we have acquired from our teachers, from our companions, and, last but not least, from our books.

Most of our high school days have been spent at "old" St. Mary's. We are happy to have had a part in building this bridge from the old to the new.

Wherever our paths may lead, we will go from St. Mary's equipped with the materials and the blueprints for the most important bridge of all—the bridge to Eternity.

*Little Office of Immaculate Conception.

It seemed for a time that the search for property for our new school was quite hopeless. However, St. Joseph, after much intercession, obtained the ten acres of property on which the new school now stands.

SERVIAM

DIOCESE OF GALVESTON
CHANCERY OFFICE
GALVESTON, TEXAS

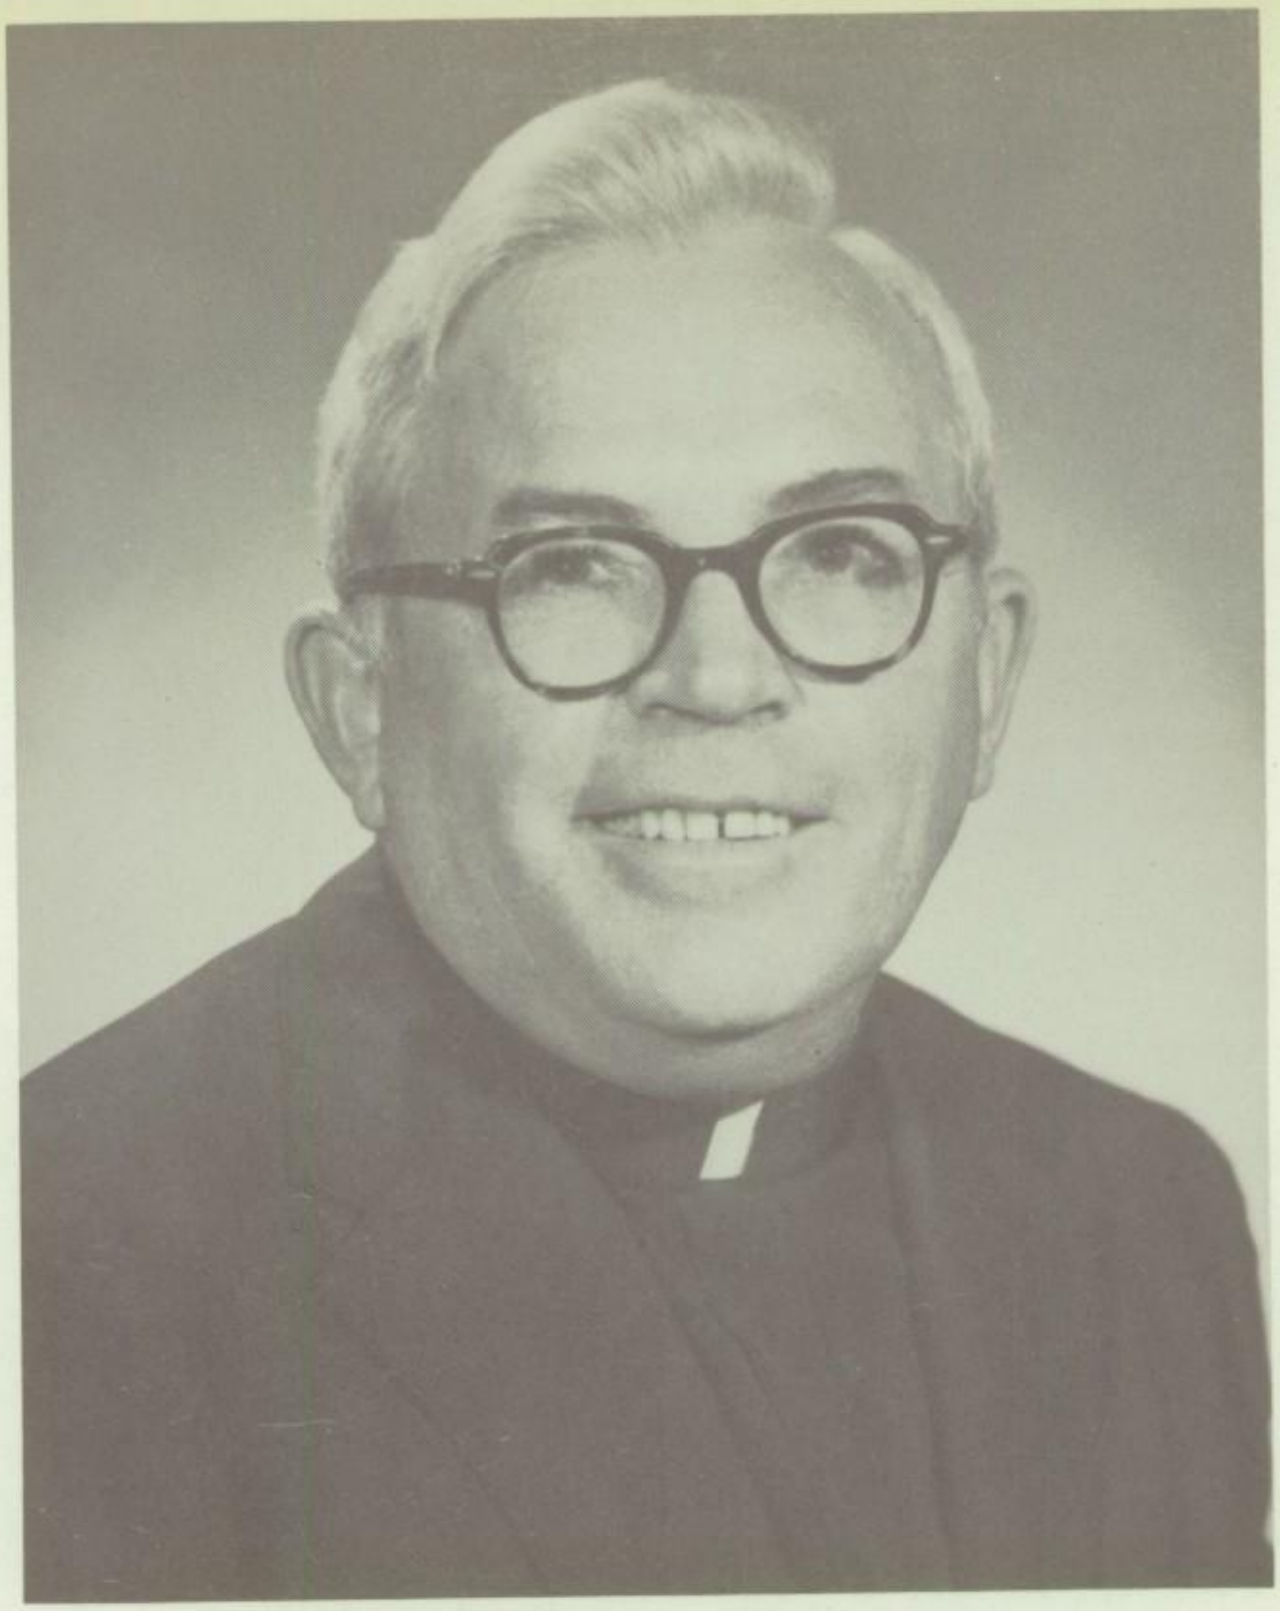
Your Excellency:

Our heartfelt thanks for the opportunity you gave us of being able to finish our education in a Catholic high school. We, the Seniors of '58, now realize more fully what we would have missed if we had had to go to a public high school during our last two years.

We wish to thank you for your permission to build a new high school. We will always remember you in our prayers for the opportunity you have given us of finishing our Catholic education.

Sincerely yours,

The Seniors of '58



Dear Father Joe,

We, the class of '58, wish to express our sincerest gratitude and appreciation to you for your help in procuring for us a Catholic high school education. Without your untiring effort it would have been impossible for us to receive the knowledge of our Faith and, as a consequence, the love that we now have for Christ and His teachings.

Now, in our new school, larger numbers of students will be as fortunate as we. This again was made possible by your hard work.

Thank you, Father, for all that you have done for us. We shall pray for you. Will you please remember us in your prayers?

Sincerely,

The Seniors of '58

St. Mary's Church
P. O. Box 849
Orange, Texas

January 6, 1958

Feast of the Epiphany

Dear Seniors,

With a great deal of satisfaction I have looked forward to the completion of our new high school. The over crowdedness in the old school made it a necessity.

We hope that all Catholic boys and girls of this area will now find it possible to attend the parochial school, where they will be able to find an explanation and understanding of their religion which is so essential in life.

Those of you who have had the opportunity to attend St. Mary's will in the future undoubtedly appreciate the religious instructions you received.

May you always be guided by the principles that you were taught at St. Mary's and may your way of living be an inspiration to those around you.

Sincerely yours,

Rev. Jos. O. Berberich

Last Will and Testament of Seniors '58

STATE OF TEXAS
COUNTY OF ORANGE

Being of sound and disposing mind and memory, we the Seniors of 1958, do hereby in this our last Will and Testament, will and bequeath our properties and talents as follows:

NAME	NICKNAME	WILL
Marie	Beanie	Typing II book to Phyllis Riedmueller
Faye	Frecks	Christian Dior P. E. suit to Vicky Blanchard
Ralland	Rocky	Curley hair to Alton Campbell
Janice	Jan	Long black hair to Carolyn Shapiro
Joyce	Joy	Driving ability to Patricia Thibodeaux Pat
Gayle	Gay	Waist line to Beverly Hudson
David	Slim	Pleasant memories to Bertha Mae Fontenot
Louis	Louie	Perfect attendance record to Burnell Waguespack
Carmen	Magoo	Contact lens to Susan Quigley
Sylvia	Sil	P. E. whistle to Rose Jean Lucia
Joan	Jo	Ability to play the piano to Elizabeth Ewing
Wilda	Ann	All my beauxs to Eula Mae Bourliea
Gerald	Gerald	Niggardliness to Drucila Suire
Joseph	Joe	Blue suede basketball shoes to Rodney Dupree
Thomas Lester	Tommy	Ability always to be quiet to Roderick Fisette
Gerald Fisher	Jerry	Trig troubles to Patsy Papania
Thomas	Tom	Aluring smile and wit to Carole Sue Sonnier
John	Johnny	Study habits to Kermit Richard
Dorothy	Dot	Remington Rand typewriter to Joyce Mazzagate
Jimmie Lee	Mr. Lee	My courage and determination to Herbert Guillory

Last, but not least: To all the students of St. Mary's, we leave our happy school memories.

Class Prophecy

Class of 1958 meet after a period of twelve years on May 23, 1970, and discover the careers their classmates have chosen:

JOYCE BARRON—who wanted to be a medical technician in her younger days, is now head of the Charity Hospital in New Orleans.

FAYE BYRNES—who became an Interior Decorator, has now completely redecorated the White House.

JIMMIE LEE CLAUSE—who served as counsellor at children's camps, now manages fourteen across the states.

DOROTHY CORMIER—who always wanted to travel, now has that opportunity since she is hostess for T.W.A.

ANN DUOS—who was always quite a manager, has been elected as Housewife of the Month.

JANICE GAUTHIER—whose eyes automatically closed at the snap of a camera during her high school days, is now the world's most photogenic lass.

CARMEN MIRES—who had so many beaux in her earlier days, is now president of the World's Lonely Hearts Club.

GAYLE PEREA—who made the Honor Roll in typing, has become private secretary to the president of the First National Bank.

MARIE ROMANO—who had much experience in caring for her five little sisters, is putting that experience to good use with her own five rollicking boys.

SYLVIA SIMAR—who always loved basketball is now the first female coach of the New York Knickerbockers.

JOAN WHELAN—who played the piano for the Glee Club, has revealed the date of her debut at Carnegie Hall.

"ROCKY" BREAUX—who started out as a helper at Levingston, is now manager of Levingston Shipbuilding Company.

GERALD CLARK—who was always broke, has now built his own private mint.

GERALD FISHER—who was district president of the C. Y. C. during his senior year, now has the title of National Director of C. Y. C.

DAVID GUIDRY—whose father managed the Rice Mill in Orange, has succeeded his father and is called the "Rice King of Texas."

TOMMY LASTRAPES—who came to us from Lake Charles, Louisiana, is now president of the Firestone Chemical Co.

TOMMY LESTER—who designed a time machine during General Science, has just returned from a private conference with George Washington.

JOHN QUIGLEY—who provided the humor in our class, is now entertaining at the Stark Club.

LOUIS SEMAR—who had a great knack for selling chili supper tickets, now owns "Little Mexico."

JOE TAYLOR—who even in high school had a talent for writing, has now received his eighth Pulitzer Prize.

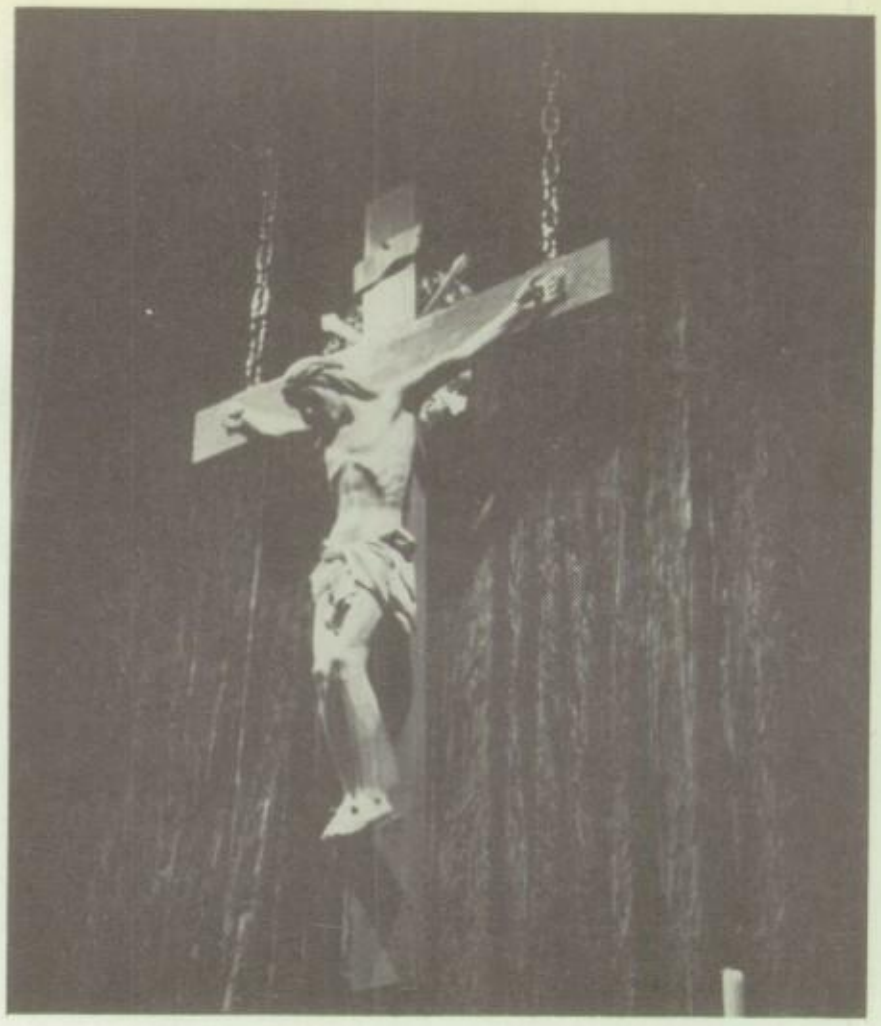
The unselfish cooperation of each candidate made possible the goal of Snowball IV—a statue of Our Lady for each classroom of the new school.

Ring Ceremony Makes Impression

One of the greatest thrills of becoming a Senior is receiving your ring. We, the class of '58, received our rings on September 10, 1957. This day made us realize that we were coming to the end of twelve long years of hard work and would soon take another step in life. When Father Joe blessed our rings, he made us realize that the shield was not just a decoration but a sign of truth. This has now become a symbol of our lives in the future: TRUTH.

I Am The Way
The Truth
And The Life



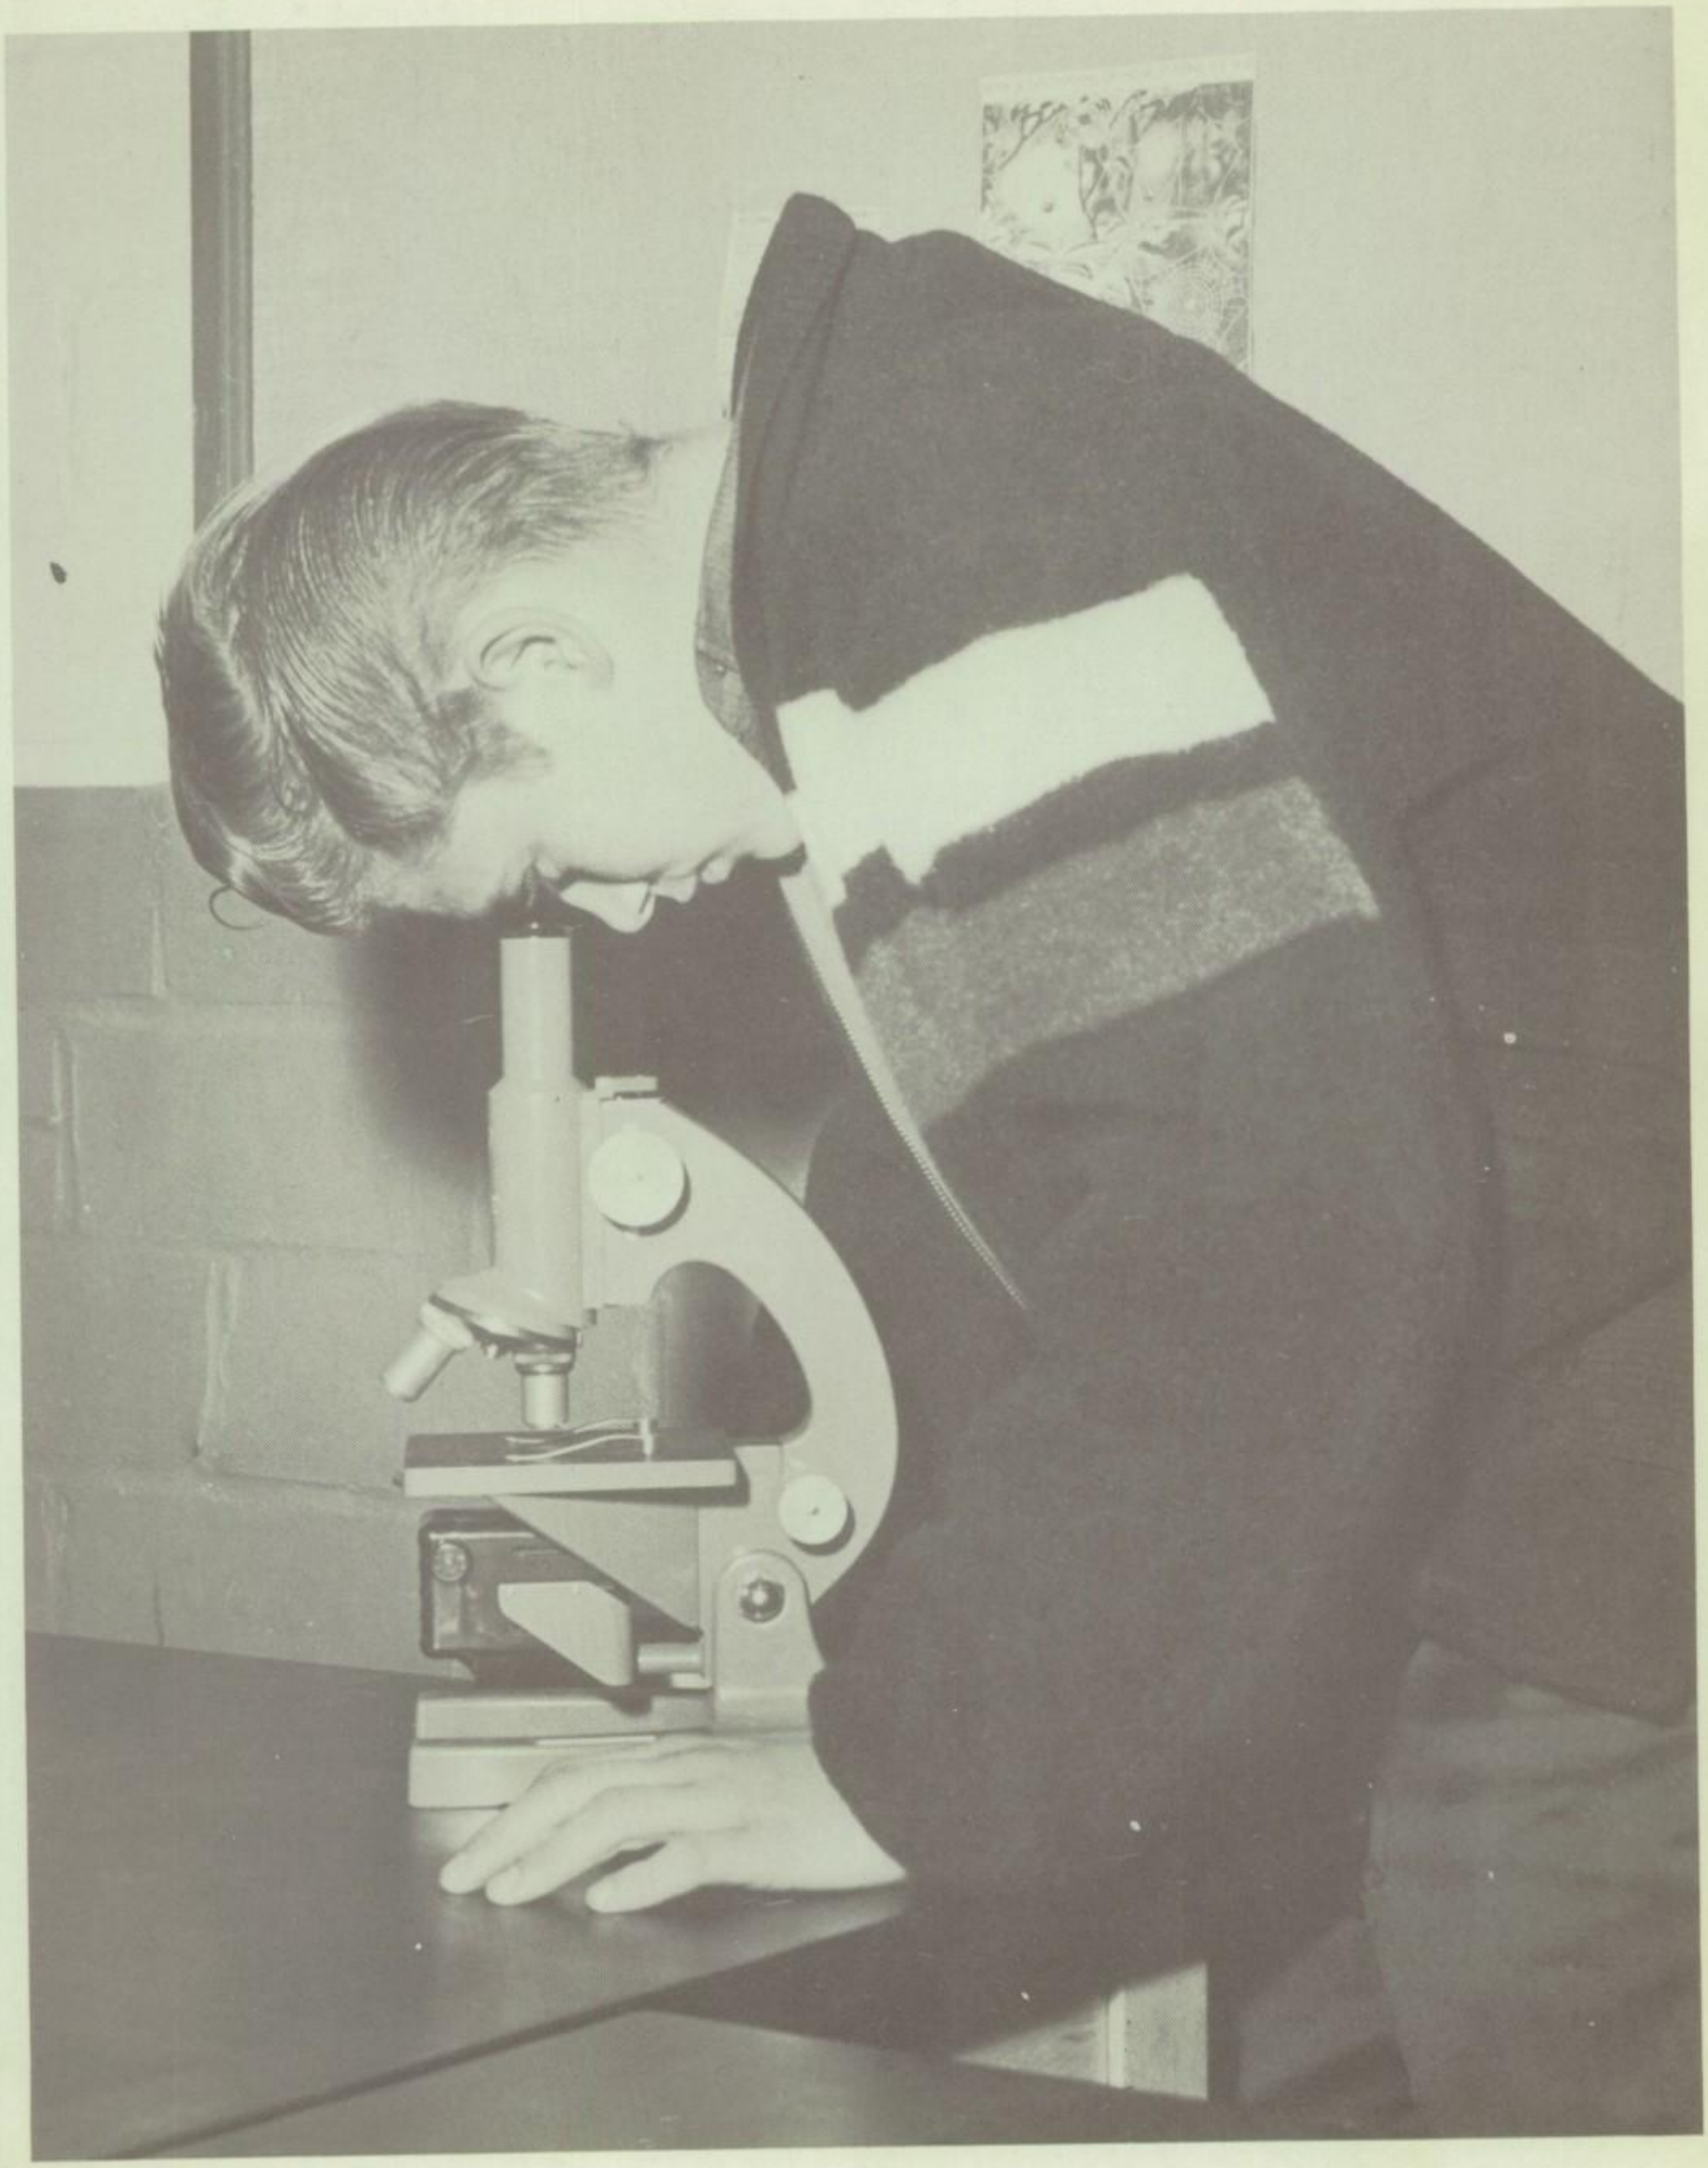
Lord

make me an instrument of Your peace. Where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy.

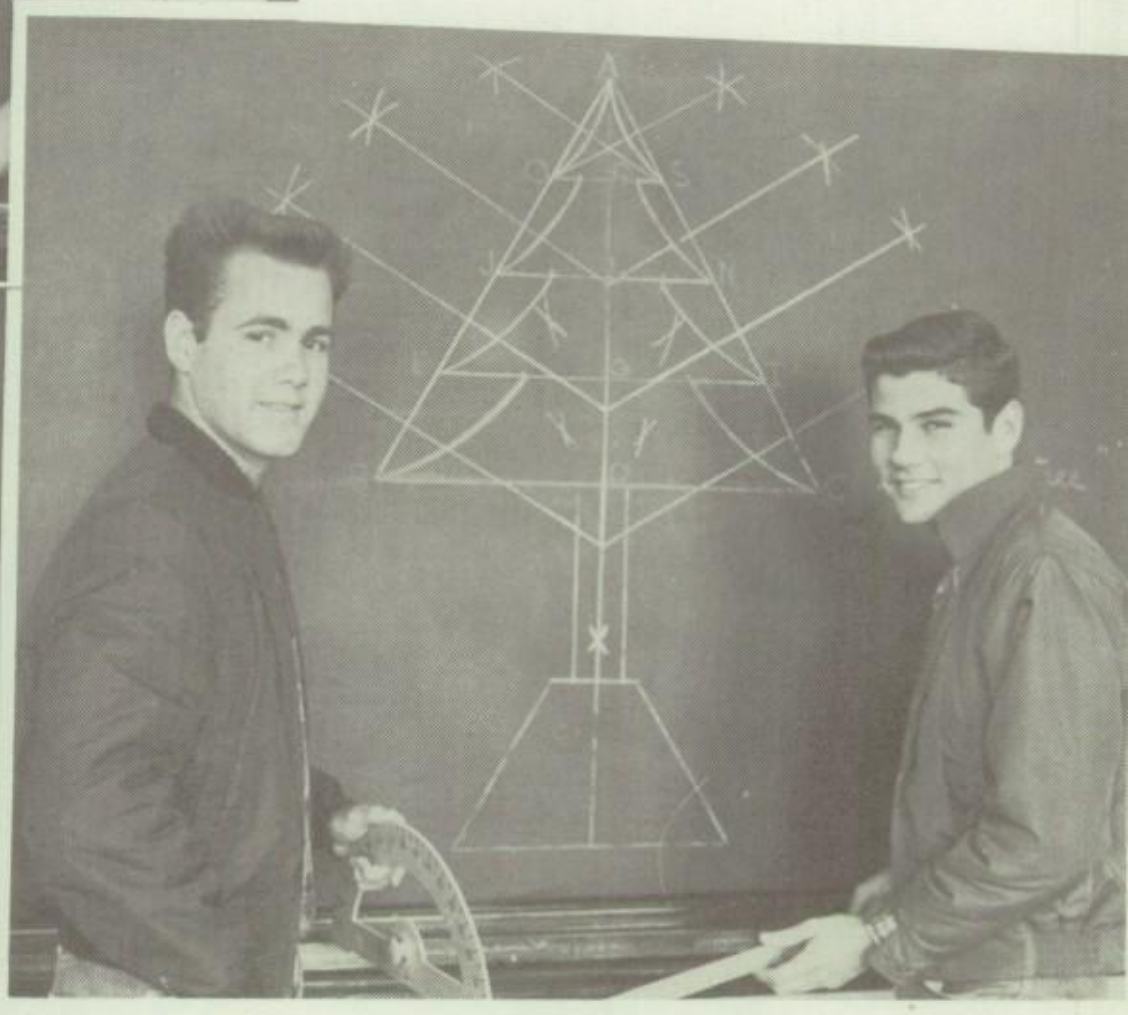
O, Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love; for it is in giving that we receive; it is in pardoning that we are pardoned; and it is in dying that we are born to eternal life.

—Saint Francis

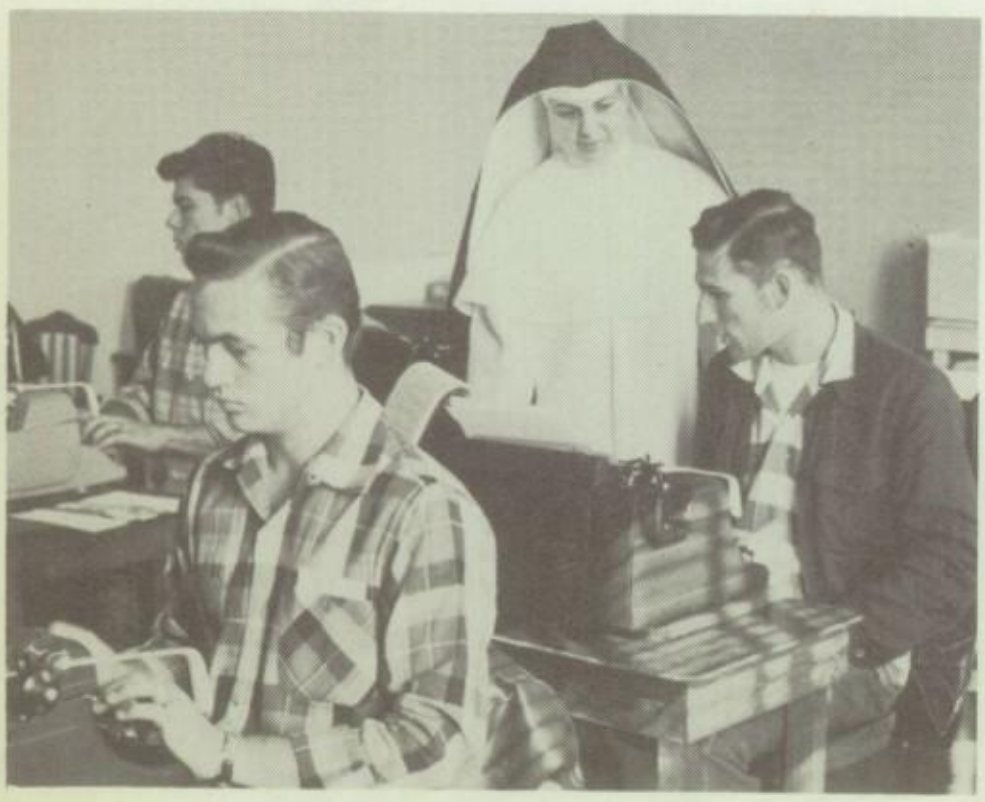
What's Inside?



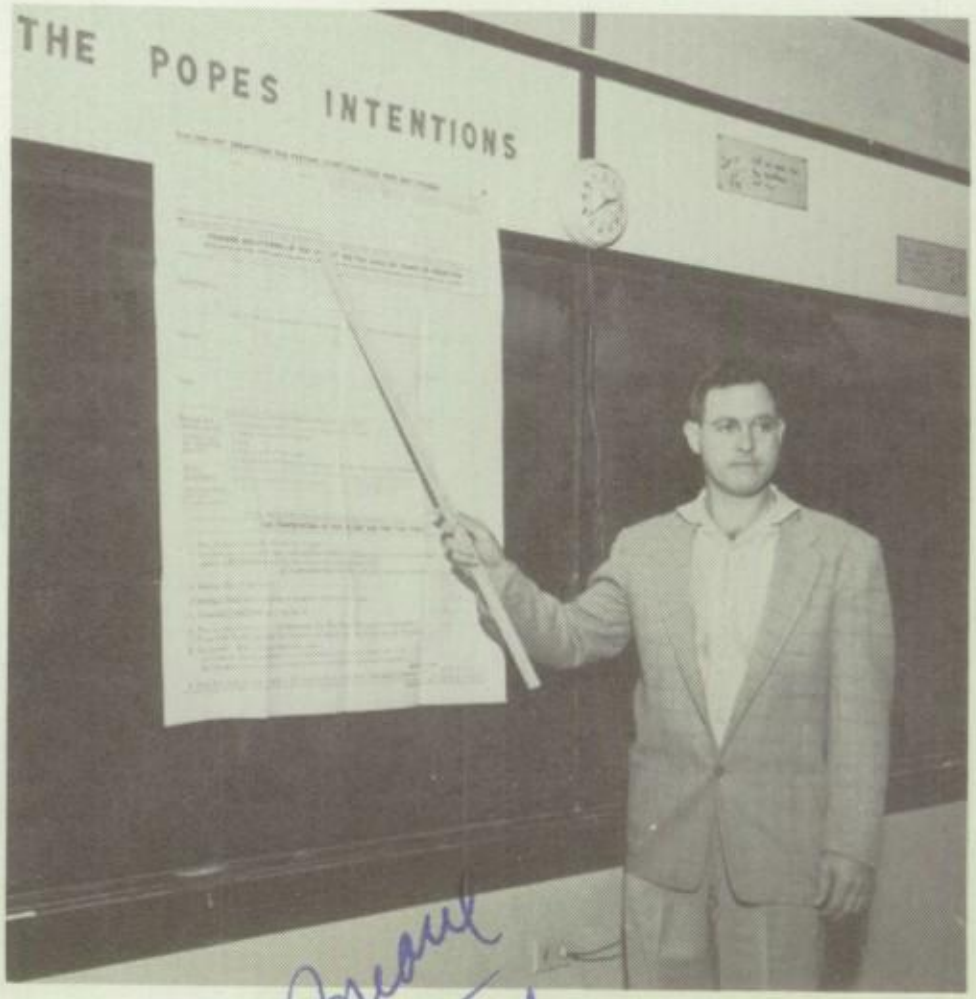
Classes Are What We Make Them



The Juniors make an art out of their study of geometry. Congratulations!



Typing seems to be a tavorite subject of the boys, from the looks of this picture.

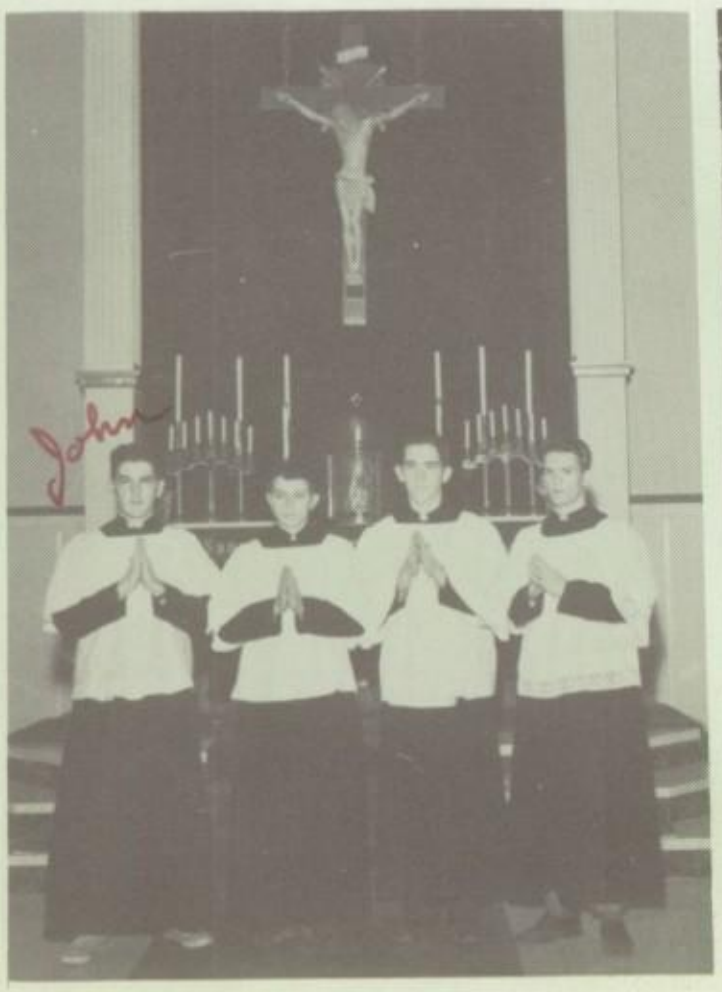


Before the seniors get out of school, they will know how to "reckon" their income tax. Mr. Breaux sees to that!

With the strides of progress that Mr. and Mrs. T. L. Gunn are making in their photography, their work takes more and more time. In spite of all that, they give us their time and talents cheerfully. Words cannot express our appreciation for this service.

What would St. Mary's School look like without our maintenance staff?

The Student Council posing!



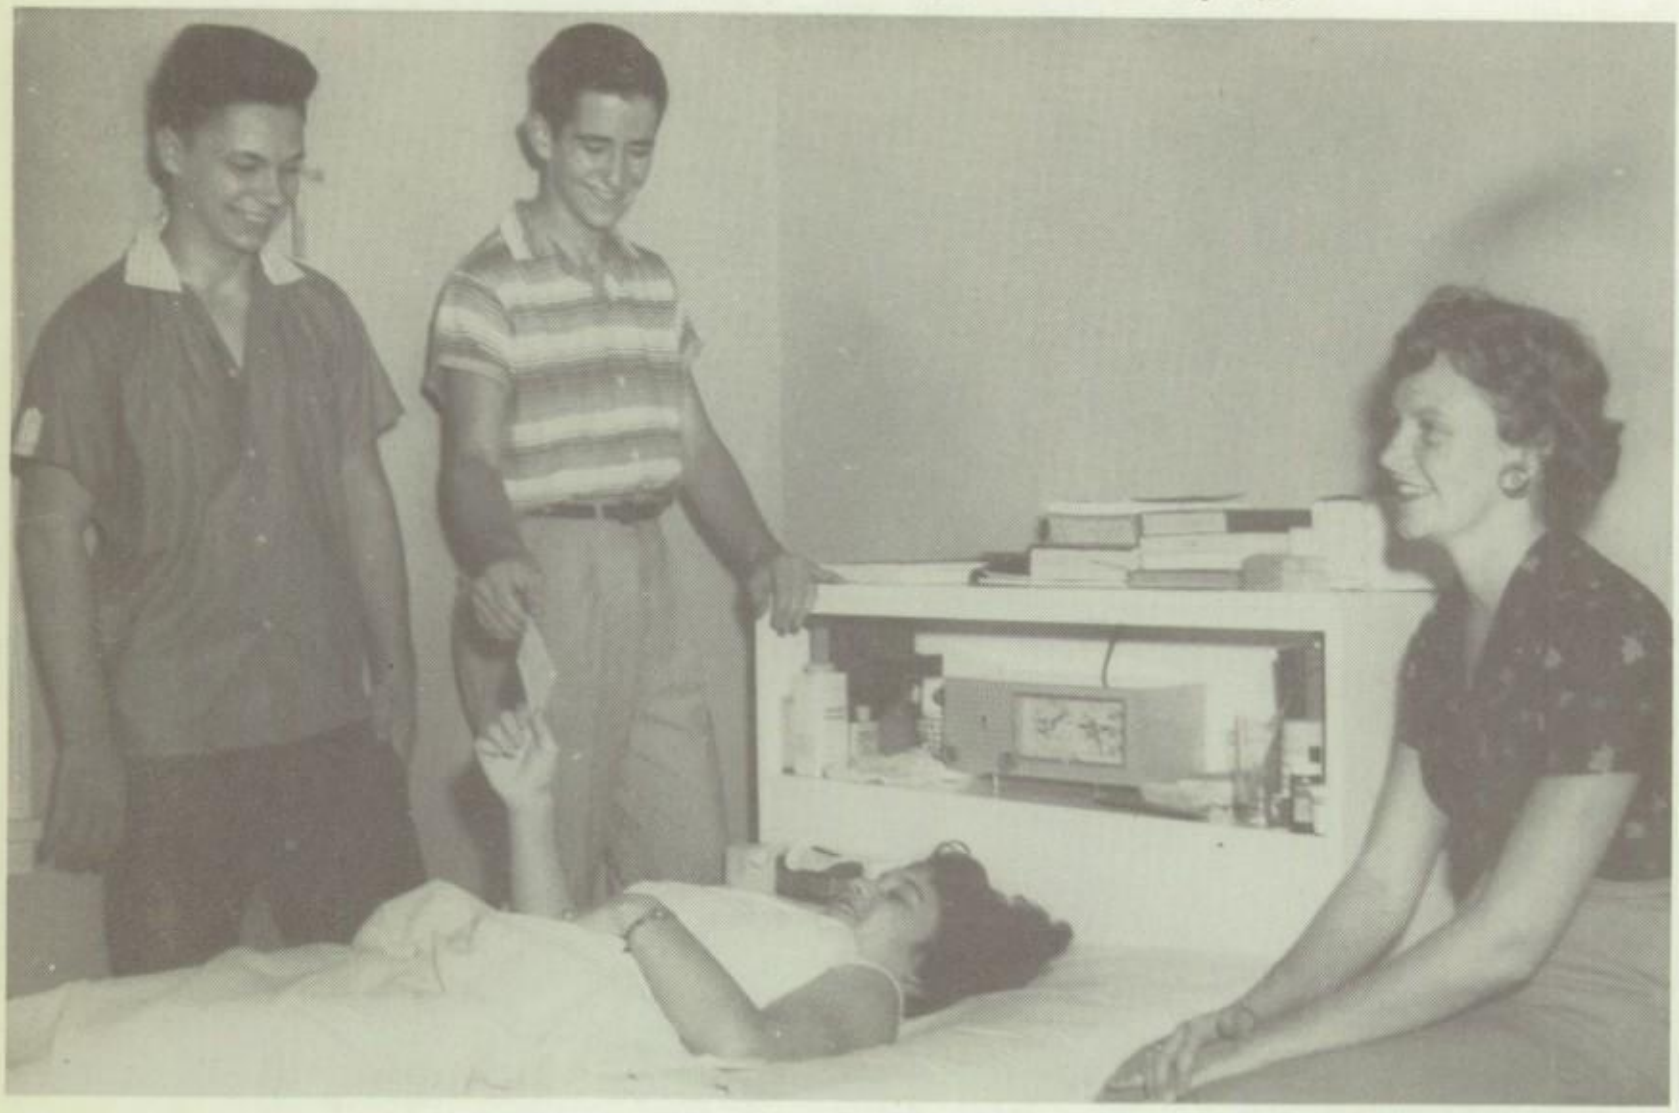
How privileged !

Sister Evelyn's helping the students is a familiar scene.

Marie and Janice, Seniors, act as guardian angels to their first grade sister and brother, respectively.

ORANGE LEADER

ORANGE, TEXAS, WEDNESDAY, SEPTEMBER 18, 1957



Politics Hot At St. Mary's

Adults should take a good look at the student body election being held today at St. Mary's High School here.

The majority of the students paid poll taxes in order to be eligible to name the candidate of their choice in the three-way race for president of the student council.

Three seniors. Faye Byrnes, Gerald Fisher and John B. Quigley, were chosen to seek the office in a primary election held last Friday.

Candidates were proud to announce that nearly all the students eligible forked over 5 cents each for a poll tax.

The winner will be president of the student government but there will be a consolation to the two losers, they will be president and vice president of the senior class.

The nominees for the school's highest elective office were named by the senior class.

Other officers of the council are Tommy Lastrapes, secretary, and Carmen Mires, treasurer.

At least one ballot was cast by a senior seriously ill. The trio of candidates, accompanied by a newsman, drove to the girl's home to pick up her secret ballot and serve as "watchdogs" of each other.

Results of the elections at St. Mary's High School on September 18, 1957, were as follows: Student-body—president, Faye Byrnes; Tommy Lastrapes, secretary; Carmen Mires, treasurer.

May the students who participate so wholeheartedly in school elections always be so conscientious about voting when they help to make the laws of the country, state, or city or vote people to even more significant offices.

The T. A. L. A., Teen-Age Library Association, members are all eager to work. While one can see they are not all at actual work during the time of the snap, we want you to see how many eager workers we have.

The "Mater Dei" Staff Works and Relaxes

In spite of the hard work that the staff had to put into the annual, you can see they took time out to enjoy the trip to Ta-Lo where many of our pictures were taken.

Many and many is the time the picture in the lower left could have been taken on a Saturday afternoon or a Sunday morning, for the annual staff put in many an hour to "make-up" the 100 pages.

Can You Top This ?

The Seniors of '58, in raising money to furnish the office in the new school, went over-board when they sold over 500 tickets for the chili supper which they and their mothers sponsored. The amount of money cleared was $349.65.

Louis Semar was the lucky one when Mrs. Elmo Lietz "asked for" seven more tickets.

The line-up was steady and the house was full.

Thank you, Mothers, for your hard work and splendid cooperations!

Father Joe came to take a look at the situation and see how things were going.

—Leader Photo by Phillip Lilly

RECEIVE EXCELLENT RATING—Members of St. Mary's chool Choir received an excellent rating yesterday in the Second nnual Choral Festival at Sacred Heart Dominican College in ouston. The local choir scored 89 out of a possible 105 points to better the "good" rating it received during the choral festival last year. The festival was for parochial schools from the Galveston Diocese..Th St. Mary's group was trained by Sister Claude, directed by J. B. Quigley and accompanied by Mrs. Victor Herm.

MARCH 9,

This year the boys and girls worked together in the Glee club. We wonder sometime which way the boys work best, with the girls, or alone. As for the girls, they like the work with the boys

Father Fandal Is First Dominican To Give Retreat At St. Mary's

Father Damian Fandal, O. P., said, "I have been immensely pleased with the spirit of the retreatants here at St. Mary's. It is a great pleasure to find such genuine and fine young men and women in my native Texas."

The students started their retreat differently this year. The first day of the retreat was on a Sunday. Father Fandal, our retreat master, is Vocational Councillor of High School retreats. Father Fandal is well prepared for this job, since he has watched Dominicans in nearly all of their many activities: from his own Holy Rosary parish in Houston, Texas, to the Order's International University, the Angelicum, in Rome.

Freshmen Initiation Day!

Hail, Seniors, Hail!

Seniors have the privilege on one day to tell Freshmen what to wear.

The shine Margitta put on Joyce's ring makes her blink.

Such shoe-shines you never saw before.

A Blessed Holiday Season

The Christmas play is an annual presentation put on by the grade school. The Glee Club this year sang carols between the acts. The playlet was "Christmas in a Toyshop." A Christmas program would not be complete without the crib scene. Mary Kersey played the part of Our Lady.

The Senior class won first prize for the float which they decorated for the Christmas parade. This prize was won for the third year in succession, now.

Sophomores Give Valentine Party

Each boy and girl received a Valentine number upon enterin and these numbers were matched for partners for the fir dance. Later numbers were drawn for choosing the kin and queen.

New Enthusiasm Arises Over Sports Of 57-58

OP: Coach Leath, Tommy Monroe, Darrell Lawrence, Billy Cozad, Raymond Gilbeaux, Kermit Richard, Rodney Clark, John David, Victor Herm, Joe Taylor, Jesse Bonin, Samuel Lucia, Ronnie Simar, Burke Gautreaux, Russell Jagneaux.
OTTOM: Roderick Fisette, Rocky Breaux, Tommy Lester, Louis Semar, Rodney Dupree, Herbert Guillory, Alton Campbell.

Football, an absentee from St. Mary's sports for three years, returned this fall. Every afternoon about twenty-five stalwarts were out for gruelling scrimmages. Coach Jack Leath with the able assistance of O'Niell Gauthier whipped into shape a football team that in their initial game defeated the "B" team of Bishop Byrne High 13-7 and went on to a deadlock tie of 6-6 with the powerful "Bears" of Little Cypress. Although the season ended right there because of the lack of a set schedule, the enthusiasm which was shown by the students makes known to everyone the hope that next year, with a set schedule, football shall be here to stay.

The basketball team continued as in past years and ended the season with a 4-2 record.

Top: Mr. Leath, Rocky Breaux, Joe Taylor, Kermit Richard, John David. **Bottom:** Tommy Monroe, Rodney Dupree, Sidney Staudt, Jesse Bonin, Louis Semar.

The following cheerleaders for the team of 1957-58 were selected by the whole student body:
Top: Martha Shapiro, Phyllis Riedmueller, Amy Williams.
Bottom: Janice Gauthier, Carmen Mires, Patricia Thibodeaux.

"Girls Also Play Basketball"

Pat shows how it's done.

Though there were not many opportunities for out-of-town games the girls enjoyed practicing and participating in the games at school.

Sabine Pass basketball girls seemed to be our best match in size, height, weight and playing ability.

TOP: Sylvia Simar, Faye Byrnes, Carmen Mires, Patsy Papania, Janice Gauthier, Suzanne Kent.
BOTTOM: Phyllis Riedmueller, Amy Williams, Patricia Thibodeaux, Kathy Hebert, Sheila Duchamp, Deanna Breaux.

Sylvia aims for the basket; unguarded at the moment.

Physical Education

Mr. Jack Leath teaches the physical ed. classes and one general science class and is also the basketball and football coach.

In their physical education classes the girls have had quite a "work-out." They have played volley ball, basketball, kick-ball and had their calisthenics. Oh, those hidden or unknown muscles make themselves known and felt, particularly in the calisthenics. At times like this we know what "physical education" means.

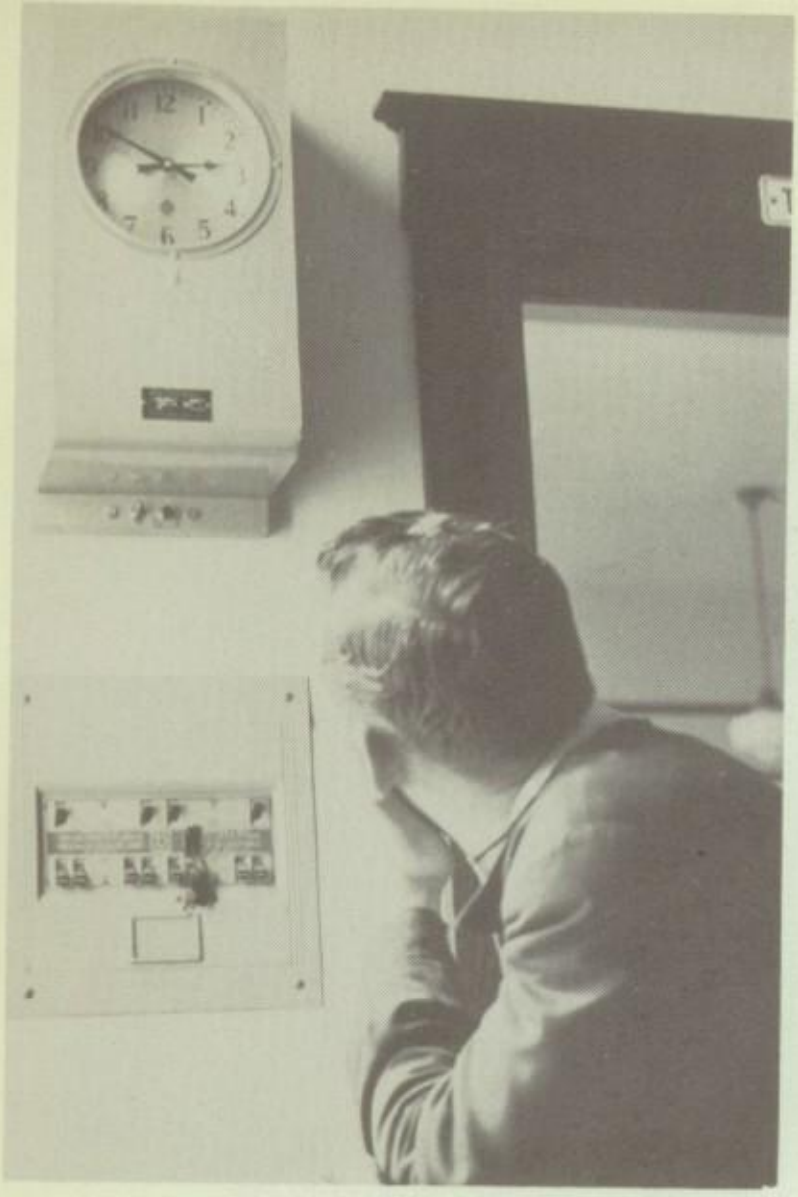
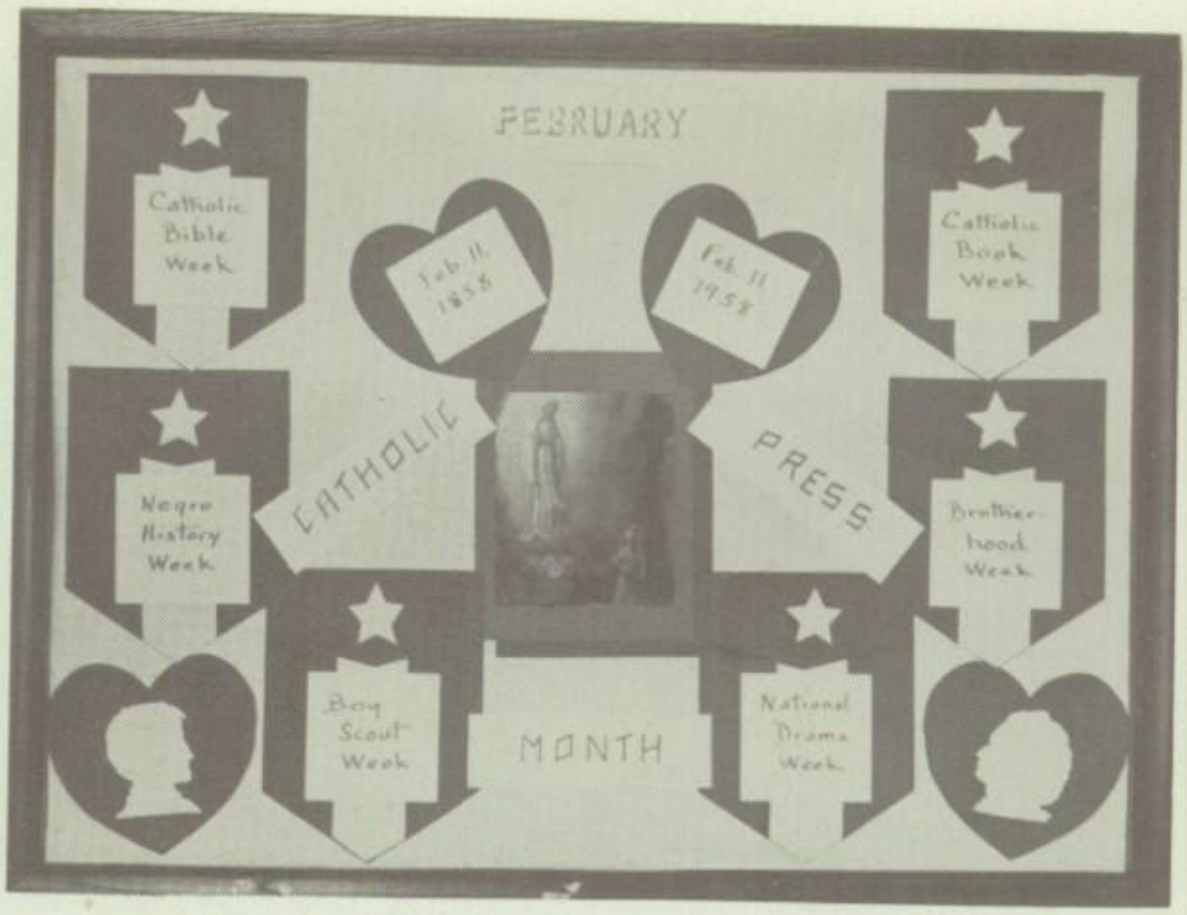
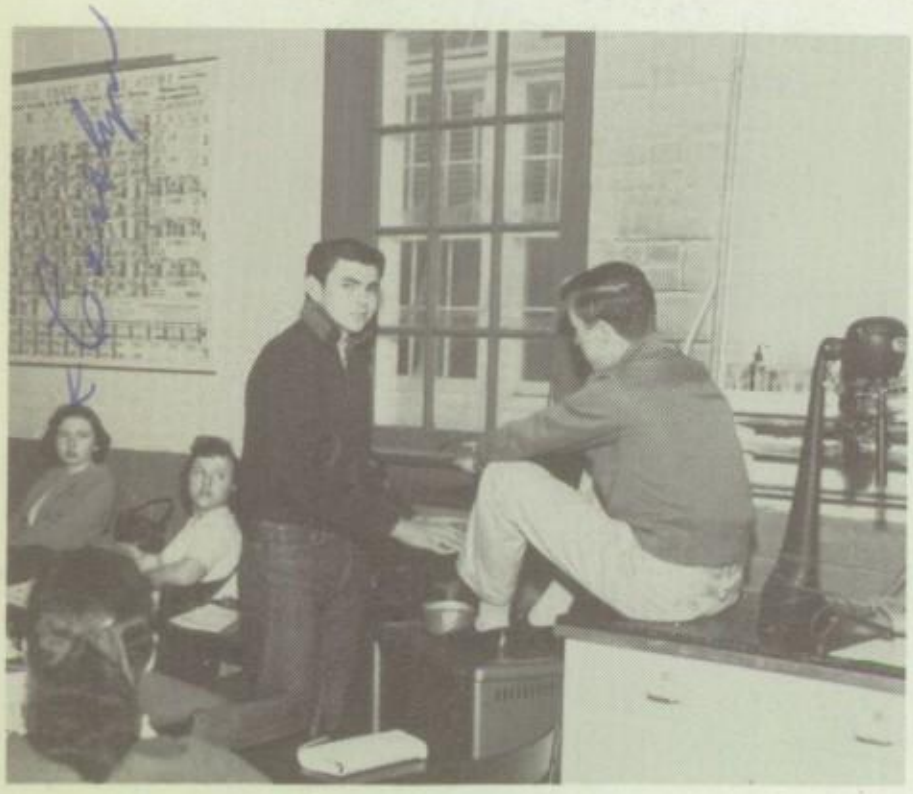
"Good-Bye, Old High"



Only 40 minutes left!



Everybody looks forward with interest to see what next month's bulletin board will bring.



Keeping the stove warm, boys?

Mother of God, pray for us.

Well, boys, you won't have to do this at the new school.

Two or three times during a period, Sister Rachel is seen here rather than in her class, teaching.

Well, you think Carmen's having trouble. Let's see you try it.

Chuck and Alice Jean are often seen shelving books as part of their T. A. L. A. work.

What a sight!

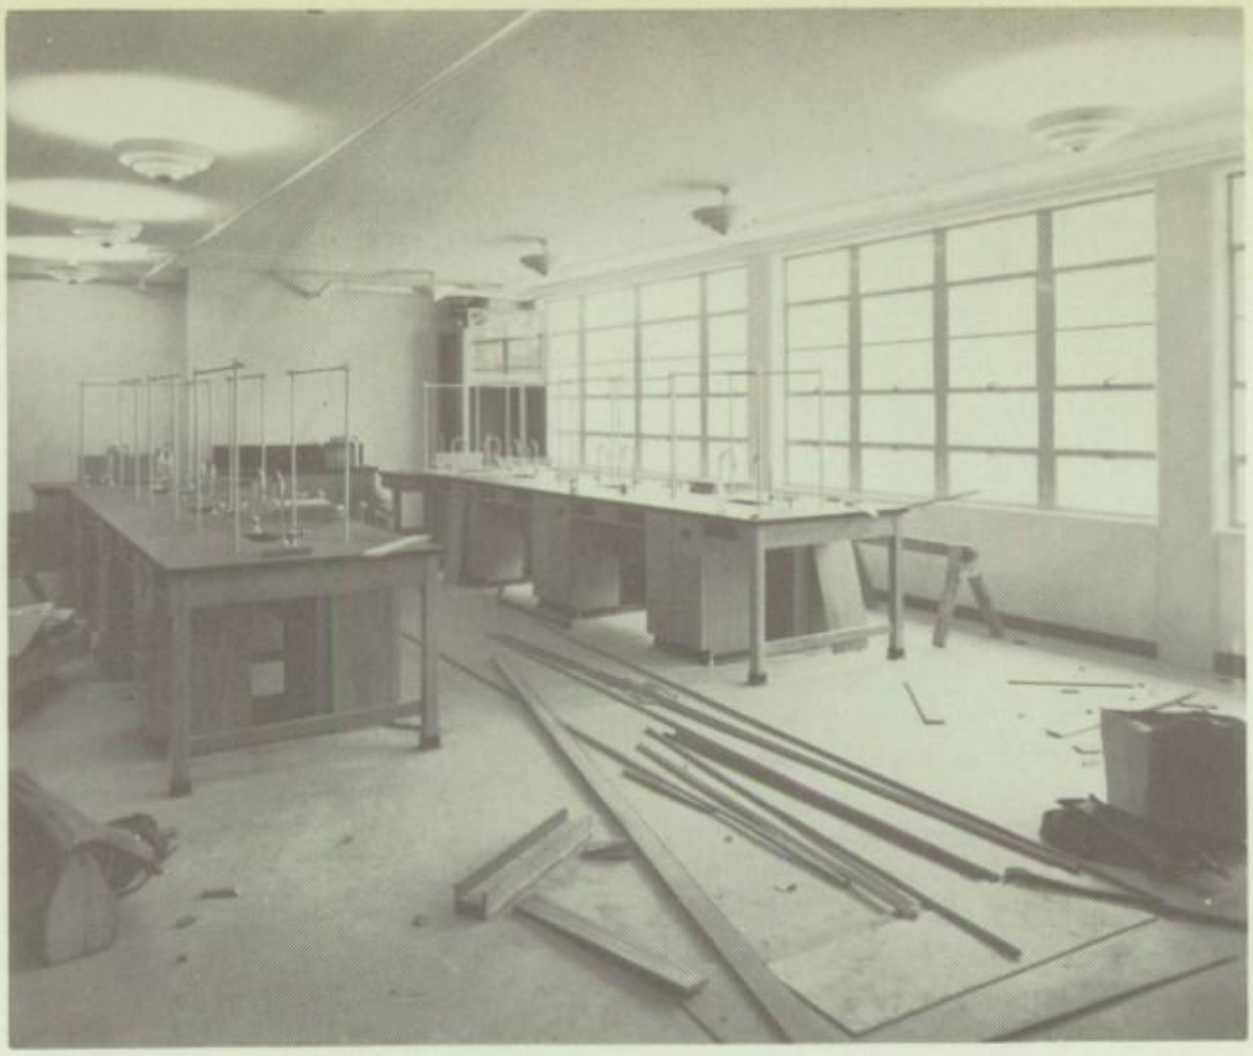
A few of the students getting the "feel" of the new school grounds. So-o-o- m-u-c-h space !

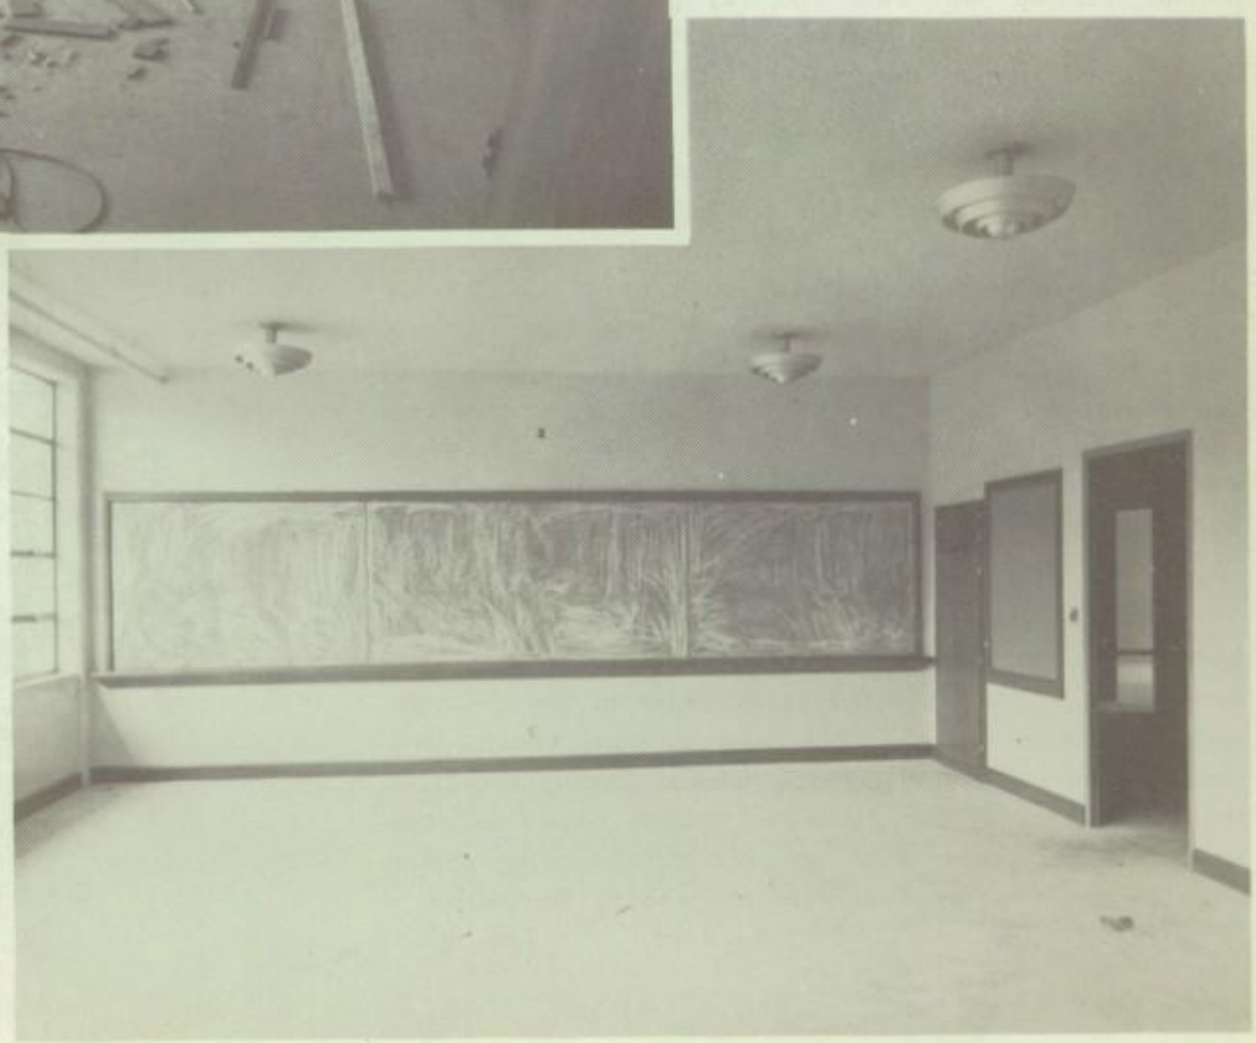
Other students go out to see how much progress has been made on the new school building.

Now the school has windows and doors. How wonderful to see the progress from week to week and from day to day. This picture was taken January 26, 1958. We were supposed to have moved to our new building by second semester, but the winter rains retarded the workers.



All this and a fume hood, too! Chemistry students will welcome the spacious lab tables, the fume hood to take care of the fragrance (?) of their efforts—and, last but not least, equipment drawers with locks and keys.

Try this one for size, Biology Class. There will be plenty of room in this lab for our "museum" and for our mascot, Susie, to say nothing of room for the students.



There'll be plenty of sunshine in these spacious classrooms—from the sunny faces of students and from the many large windows.

More On Page 93

Class History

The history of the Senior Class of 1958 begins with the first grade in which we crossed our first bridge. We stepped from behind our mother's skirts into a new world of books, classrooms, and teachers. Sr. Samuel helped us through this difficult period. Eight of our present seniors began together that year—Janice Gauthier, Sylvia Simar, Gerald Fisher, Tommy Lester, Marie Romano, Carmen Mires, Gayle Perda and John Quigley.

Upon entering the second year we had a number of teachers among them were Sr. Brendan and Sr. Irene. In this grade we added another boy, Joe Taylor; in the third year another, Louis Semar. This year we also received a very sweet girl, Jimmie Lee Clause. Sr. Brendan taught us again this year.

Mrs. McBride was our teacher in the fourth grade and we welcomed four new students—Faye Byrnes, Joyce Barron, Dorothy Cormier and Rocky Breaux. Janice Gauthier and Marie Romano participated in the Royal Court during May of this year.

We had charge of the "Country Store" for the May festival in our fifth year and with the help of Sr. Ceslaus it was very successful.

The sixth grade with Mrs. Henry Adam as a teacher was a second bridge for us and made us feel very important because we were helf-way through our school years, so we thought, because a college education was far from our minds then.

During our seventh grade year we learned many things under the gentle guidance of Sr. Ernest. We learned to give first aid, to appreciate fine art and music, and to practice self-control.

The eighth grade was a happy one for us because we took part in many activities. We were the first members in the Junior Sodality. Many of us were in the drum and bugle corps or on the football team and we took several out-of-town trips on buses to football games. This year we gained two new students—David Guidry and Ann Duos. Sr. Siena and Mrs. McBride together gave us a fine review of grammar school work to prepare us for high school.

The ninth grade was a third bridge for us because we went from the security of grammar school to the awesomeness of high school. We really began to feel the pressure of our teen years. The new subjects, classes, and teachers had us thoroughly frightened. During this year Mr. Paul Breaux as our homeroom teacher helped us raise money for the Senior Breakfast. We enjoyed going to the Prom for the first time this year and also to the picnics.

As sophomores, we started the year with a little more confidence than as freshmen. Sr. Genevieve did more than her share in helping us prepare for the Senior Prom, "Blossom Time," which we gave that year. The sophomore class also presented a play entitled "A Book a Day" during book week. Two more students, Joan Whelan and Gerald Clark, came to our class this year.

Mr. Breaux joined us as our homeroom teacher again in our Junior year. Tommy Lastrapes came to us from Lake Charles, Louisiana, this year. This was the first year we participated in an operetta and also a music festival in Houston. We worked hard for the success of the Junior-Senior picnic, given at Moss Lake by our class. Janice Gauthier was first princess in the coronation of the Spring Festival.

Other teachers during high school were Sr. Jane Frances and Sr. Trinita teaching typing; Sr. Claude, Algebra II and Glee Club, and Sr. Evelyn, teaching us our sciences and first-year algebra.

Our Senior year was one that will always hold happy memories for us. Sr. Rachel as our homeroom and religion teacher prepared us for our final bridge, graduation and life afterwards. Everything we did this year had a special significance for us because we were doing those things for the last time. It was our last time to elect class officers and a student body president, and it was our last year to sing at Midnight Mass with the high school choir. It also was our last prom and school picnic. And some of the things we did marked us as Seniors; such as initiating the Freshmen, receiving our rings and having them blessed, decorating the float for the Christmas parade, rehearsing for the Senior play, selling tickets to the chili supper and practicing for graduation. Then came the final and greatest thrill of all, receiving our diplomas.

We wish to thank the Sisters who have taught and guided us, and the priests who have helped us through the years, and also we send our heartfelt thanks to our parents who have given us one of the wonderful gifts in life, a Catholic Education.

CONGRATULATIONS

. . . And A Suggestion

First, congratulations to the graduating seniors for having attained this important goal in your lives. It is always a pleasure to keep in touch with young people and to offer our best wishes for your continued success.

Secondly, may we also offer a suggestion to all students regarding the selection of a lifetime career? Such a decision is one of the most difficult in your young lives. It is also one of the most important.

Undoubtedly you are aware of the needs, today and in the future, for scientifically and technically trained people. In the defense of our country, through the use of complicated, scientific weapons or in the continued improvement of our standard of living through industrial progress—there is a need of educated and technically trained young people. If you are interested in the sciences and mathematics, we urge you to seriously consider a career in engineering or some technical field.

But, regardless of your choice, we hope that with the aid of your parents and teachers you will study and work toward a career which will bring you happiness and a sense of achievement.
